## Laundry

### Free & Clear Commercial Detergent by Arm & Hammer

#### Directions for Use:

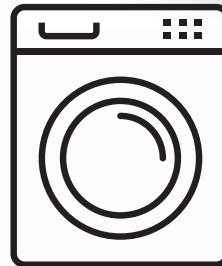

- Install spicket on 5 gallon jug so it can be stored out of the way. Refill 1/2 gallon pump (which has a label sticker) so it can be used for daily use. Each stroke is exactly one ounce so use 1-2 pumps per wash load.

#### Product Overview:

- Free from dyes and perfumes
- Gentle yet powerful low sudsing formula

## Laundry

### Wool Dryer Balls by Arm & Hammer

#### More Details:

#### Purpose:

- Natural fabric softener, reusable, reduces clothing wrinkles and saves drying time

#### Directions for Use:

- Use 1-3 in dryer cycle
- Can apply 100% pure essential oil to the dryer balls (Lavender is a good one)

#### Product Overview:

- 100% New Zealand wool
- Natural, chemical-free alternative
- Naturally softens fabrics and minimizes static cling

## Dishwasher Detergent

### Dishwasher Detergent Pacs by Amazon Basics

#### More Details:

#### Purpose:

- Use in dishwasher

**Directions for Use:** Place one pod in the dishwasher per cycle.

#### Product Overview:

- 2-in-1 grease fighting and rinse aid for a sparkling clean without residue
- Amazon brand degreasing and Oxi stain-fighting formula for a virtually spotless clean
- No phosphates and septic safe

## Floor

### Floor Cleaner by ECOSPRO

More Details:

#### Purpose:

- Clean and deodorize flooring: virtually any hard surface, including **wooden floors, laminates, ceramic tile, vinyl floors, and natural linoleum.**

#### Directions for Use:

- Dilute as according to bottle.
- Use on floors only.

#### Product Overview:

- Perfect for removing tough spots, stains, or scuff marks, and its neutral formula does not strip floor wax or sealant.
- Plant-based ingredients and is pH balanced. Free of ammonia and dyes

## Floor

### Mop & Bucket with Wringer by Libman / Global Industrial

#### Purpose:

- Clean and deodorize
- hard surface flooring

#### Directions for Use:

- **Must put out WET FLOOR Sign**
- Fill mop bucket with appropriate amount of water and cleaner
- Sweep or vacuum floor to remove dirt and debris before mopping
- Start from the farthest corner and work towards the exit to avoid stepping on wet floors
- Rinse the mop frequently in clean water to avoid spreading dirt. Replace the mop water as needed.
- Empty and rinse mop head and bucket

## Floor

### Floor Cleaner & Deodorizer by Zogics

More Details:

#### Purpose:

- Clean and deodorize flooring: **ceramic, tiles, grout, brick, or concrete**

#### Directions for Use:

- Dilute 1:16-1:128
- Use on floors only, **do not use on food contact surfaces**

#### Product Overview:

- Deeply cleans ceramic, quarry tiles, grout, brick, or concrete and most other hard floor surfaces
- Keep item from freezing
- A safe and gentle cleaning process. It's a no-rinse formula that can be easily applied to your mop bucket.

## Floor

### Vacuum by Oreck

More Details:

#### Purpose:

- Vacuum dirt and debris, maintain a clean and dust-free environment

#### Directions for Use:

- Vacuum surfaces thoroughly, paying attention to high-traffic areas, under furniture, and corners
- Pay attention to the cord, winding it up and securing it after use and making sure to store in a non-child use space.
- It is a bagged vacuum with a disposable bag. Make sure to check it so it does not overfill. Turn off vacuum to replace bag. Dispose in a sealed trash can to avoid dust escaping.

## Soap

### Antibacterial Hand Soap by Zogics

More Details:

#### Purpose

- Soap for handwashing

#### Directions for use:

- Fill empty hand soap containers

#### Product Overview:

- Eliminates 99.99% of germs with its effective antibacterial formula
- Moisturizing ingredients, pH-balanced keeps skin soft with a pleasant scent of fresh melon

## Soap

### Pro Dishmate Free & Clear by ECOSPRO

More Details:

#### Purpose:

- Dish soap
- Use for soapy water in 3-Step

#### Directions for Use:

- Refill your Daily Use squirt bottle
- Store large container out of the way and safely out of reach of children.

#### Product Overview:

- Gentle, non-toxic formula with 100% plant based ingredients
- Cuts thru grease
- Quick rinse formula

## Disinfectant

### Hypochlorous Surface Disinfectant by Zogics

More Details:

#### Purpose:

- 3-Step
- Disinfect/Sanitize

#### Directions for Use:

- Refill 3-Step Spray Bottle
- Ready to Use- No Dilution Necessary

#### Product Overview:

- No Harsh Chemicals. Free of Fragrance, alcohol, bleach
- Three simple ingredients—water, salt, and electricity—combine to form HOCl, or Hypochlorous Acid
- Multi-surface disinfectant, sanitizer and deodorizer
- Eliminates 99.99% of harmful germs and bacteria on hard surfaces in just 60 seconds
- Safe for Food Service Items

## Disinfectant

### PURTABS Disinfect & Sanitize Tablets by Evaclean

*images not to scale*

#### Purpose:

- PURTABS disinfectant is a quick, safe and effective way to sanitize and disinfect surfaces.

#### Directions for Use:

- Use 1 tablet that quickly dissolves in water to form a sanitizing solution.
- 1 tablet can spray an area ~800sq ft
- Diluted PURTABS are stable for 3 days, if stored in a closed container.

#### Product Overview:

- Kills C. diff, C. auris, Norovirus, MRSA, Cold & Flu virus, and SARS-CoV-2 (COVID-19)
- Broad-spectrum disinfectant with more kill claims than other sanitizing alternatives
- 50% less corrosive than bleach, plus won't harm fabrics or substrates with normal use

More Details:

Additional Details:

## Disinfectant

### “Sanitizing Gun” by Clorox

More Details:

*Extension cord will likely be required for use. Cord should be stored safely with the Sanitizing Gun, not in a child-use space, and out of reach of children.*

#### Purpose:

- Use to deliver disinfectant to high traffic areas and surfaces quickly and efficiently.

#### Directions for Use:

- **Recommended to wear gloves while using.** You may consider glasses or mask if sensitive to cleaning solutions.
- Plug in spray gun to use and spray down high-touch areas where you need to apply disinfectant to surfaces quickly and efficiently
- No wiping required.
- There are adjustable knobs for the nozzle pattern and to control flow.

## Disinfectant

### Disinfecting Wipes by Amazon Basics

More Details:

**These wipes are not a substitute for the 3-step process.**

#### Directions for Use:

- Use wipes only for particularly messy situations where it's best to dispose of them, such as for bodily fluids, around the toilet, or similar cases
- Extra precautionary step during sick seasons (ex. door knobs, kiosk, etc)

#### Product Overview

- Kills 99.9% of bacteria in 15 seconds
- Thick wipes for tough messes
- Use on washable hard, nonporous surfaces: telephones, doorknobs, kitchen countertops, sinks, toilet bowl surfaces

## Air Freshener

### Dishwasher Detergent Pacs by Azuna

More Details:

#### Purpose:

- Freshen air safely without chemicals

**Directions for Use:** Pour into glass jar about 1/4 full. It will harden and yellow over time. It is good for about 30 days after it hardens then clean out and refill. You can give the jar a little shake occasionally.

#### Product Overview:

- Stop breathing artificially scented aerosol air "purifiers" and start eliminating odors caused by bacteria safely.
- Azuna is a low-concentrate tea tree gel (no harsh chemicals). Microscopic particles evaporate from the gel to absorb the odors caused by mildew, bacteria, and fungus. This action actually cleans your air, rather than simply masking the smells.

## Disinfectant / Air Freshener

### Disinfectant Spray by Lysol

More Details:

**While not ideal for frequent or routine cleaning due to its chemical content, it's necessary in certain situations where quick, effective disinfection is required to maintain a safe and healthy environment.**

#### Purpose:

- Powerful germ-killing

#### Directions for Use:

- Spray 6-8 inches away
- Let the area ventilate after application to reduce chemical exposure, especially in enclosed spaces.
- Do not spray around children.

#### Product Overview:

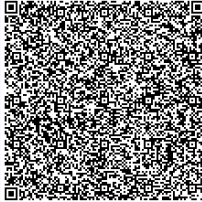

- Kills 99.9% of viruses and bacteria. Prevents mold and mildew.
- Eliminates odors.

## Cleaners

### Toilet Bowl Cleaner by Seventh Generation

More Details:

#### Purpose:

- Daily Toilet Cleaning

#### Directions for Use:

- Put along the inside of the toilet bowl rim, use brush to scrub inside of the toilet, then flush to rinse. Repeat if necessary.
- Storage: If your center uses a cleaning cart, wipes can be stored there. Alternatively, store them in each bathroom, preferably in a locked closet or wall cabinet out of children's reach. Consider who will be responsible for cleaning when deciding the best storage option.

#### Product Overview:

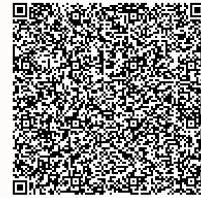

- Contains no chlorine, bleach, synthetic fragrances, dyes or ammonia
- Plant-based formula tackles stubborn stains

## Cleaners

### All Purpose Cleaning Spray Surface Cleaner by Seventh Generation

More Details:

#### Purpose:

- All-purpose cleaning product
- Not to replace 3-step process.

#### Overview:

- Spray for cutting grease, grime and dirt
- No harsh chemicals, includes Lemon Chamomile derived from 100% essential oils and botanical ingredients

#### Directions for Use:

- Ready to use.
- No rinsing required.
- Spray and wipe clean.

## Cleaners

### Glass Cleaner (Non-Ammoniated) by Zogics

More Details:

#### Purpose:

- Clean mirrors, windows, glass, stainless steel, countertops, and related surfaces

#### Directions for Use:

- **This is a concentrate:** A small amount goes a long way. **Dilute 1:40 using instructions on bottle, using the spray bottle with product label.**
- Apply a fine mist, wipe in a circular motion with a clean, soft cloth or towel.

#### Product Overview:

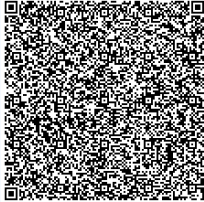

- Streak-Free, Quick-Drying, spotless shine
- Can be used as a light-duty cleaner on all surfaces not harmed by water

## Cleaners

### Toilet Bowl Cleaner by Lysol

More Details:

**Used only at centers that have persistent rust in toilet**

#### Purpose:

- Daily Toilet Cleaning

#### Directions for Use:

- Put along the inside of the toilet bowl rim, use brush to scrub inside of the toilet, then flush to rinse. Repeat if necessary.
- Storage: If your center uses a cleaning cart, wipes can be stored there. Alternatively, store them in each bathroom, preferably in a locked closet or wall cabinet out of children's reach. Consider who will be responsible for cleaning when deciding the best storage option.

#### Product Overview:

- Contains no chlorine, bleach, synthetic fragrances, dyes or ammonia
- Plant-based formula tackles stubborn stains
